We would absolutely love to see more people getting involved in our PA. It is a great way to get involved in your child's school and keep abreast of school activities. Fresh people bring fresh ideas and all donations of time are very much appreciated.

SPOOKY WALK

The annual Spooky Walk took place on Friday 28th October. This parade around the town is always very popular and a monumental effort was made by all the children and teachers to look as SPOOKTACULAR as possible!!!

Thanks to Natasha's shop for providing lollies for all the children. Pictures of the event can be found on the school website.

Calendar Photoshoot

The Calendar photoshoot was a huge success. The children were super enthusiastic with their themes. We expect the finished product to be very popular. The calendar will go on sale shortly for €12.50 and will be available to purchase via the Aladdin app.

Parents Day

It's not just the grandparents who get to have all the fun 😊
On Friday, December 16th the school are holding their very first **Parents Day**. This is an excellent opportunity to see inside the fabulous school building, visit your child in her classroom and view all the amazing artwork that adorns the walls. Tea/Coffee and refreshments will be served by the PA in the hall afterwards.

Put a Sock in it!!

We would like to take this opportunity to remind you that the **CLOTHES RECYCLING** bin beside the church is currently the main source of income for the PA. It is emptied every **Tuesday** so please use it as much as you can.

SCIENCE WEEK 14th – 18th Nov

The PA are funding a visit on 18th November and again on 15th December by world famous ecologist, author and environmentalist **Dale Treadwell**, who will engage some of the classes in workshops on Biodiversity
