

# **School Uniform Policy**

## **Bunscoil Bhríde, Rathangan, Co. Kildare**

The uniform is very important for the image of the school and it enforces your child's association with the school. We ask you to adhere strictly to the uniform.

The Bunscoil Bhríde school uniform tracksuit is described below. All children from Junior Infants to Sixth Class wear the school uniform tracksuit everyday.

### **School Uniform Tracksuit:**

Our school uniform consists of an official school tracksuit, which is a blue polo shirt, a navy half-zip top embossed with the school crest and navy tracksuit bottoms, with a light blue line down the side.

Runners or shoes suitable for running should be worn with the school uniform tracksuit. Proper runners with supportive soles are required (no canvas runners, Converse, or Ugg-type boots, which are unsuitable for running are permitted). All shoes that require laces should have the laces tied.

When the weather is warm, children may wear navy shorts with their uniform.

### **The school uniform tracksuit can be purchased in the following local shops:**

Annually, in June the Bunscoil Bhríde Parents' Association hold a Uniform Swap Day, whereby good quality second hand uniforms are made available to parents. All current parents and parents of incoming Junior Infants are invited to attend and to avail of the uniforms on offer.

### **Markings to Avoid Loss:**

All personal belongings, including uniform tops are to be marked clearly with the child's name.
